Held under the Sanction of Missouri Valley Swimming, Inc. on behalf of USA Swimming, Inc., Approval Number MV-18-41A. ***In granting this approval it is understood and agreed that USA Swimming shall be free from any liabilities or claims for damages arising by reason of injuries to anyone during the conduct of the event.***

2018 USA Swimming Technical Rules and “Rules That Govern YMCA Swimming” will govern procedures, along with our Area YMCA rules and bylaws.

Any swimmer entered in the meet must be certified by a USA Swimming member-coach as being proficient in performing a racing start or must start each race from within the water. Swimmers are only allowed to enter the pools at the pool's start end using a feet first method. The only exception to feet first entries are swimmers diving into the water at the start-end of the competition pool. Swimmers may only dive into the start-end of the competition pool at the designated time-frame for practice starts during warm-ups and at race starts.

All unaccompanied swimmers must report to the meet referee prior to warming up for the first session in which they are swimming. The meet referee shall instruct such swimmers in safety rules for the meet and assign swimmers to warm up lanes.
